Important: Please note that all submissions (full papers, extended abstracts, & abstracts) must be submitted by the deadline above in order to undergo the double blind, peer review process and be considered for publication in either the Issues in Information Systems (IIS), any of the selected journals, or the conference proceedings.

What to Submit

You are invited to share your research on the conference theme or other relevant IS and IT research with the educators and professionals attending the IACIS International Conference. Papers covering related academic and technical issues are also encouraged.

- Full pedagogy/research papers
- Abstracts
- Panel presentation proposals

Registration Fee

Early Registration -- \$295 (USD) if paid by 11:59 p.m. April 4, USA Central Time. This amount will change to \$345 (USD) if paid after 11:59 p.m. April 4.

Registration fee will include membership in IACIS and a year's subscription to the Journal of Computer Information Systems (a refereed journal published six times a year by Taylor & Francis). This membership will begin in January 2022.

Publication Opportunity

All submissions are double-blind refereed. All high-marked full papers accepted in the review process will be fast-tracked for publication in Volume 22 of Issues in Information Systems (ISSN 1529-7314), a publication of IACIS. Issues in Information Systems journal is a refereed, serial publication that is registered with the U.S. Library of Congress and listed in the Cabell's Directory of Publishing Opportunities in Management. All other accepted submissions will be published in the Conference Proceedings.

In addition, the conference chair will select several high-marked papers to go through additional round of double-blind reviews for possible publications in the following journals:

- [Journal of Computer Information Systems](#)
- [Management and Production Engineering Review](#)
- [International Journal of Innovation and Learning](#)
- [International Journal of Management in Education](#)

*** Please note that papers that are accepted to go through an additional round of double-blind reviews for possible publication in the above listed journals will not be published in IIS. ***

A monograph of selected papers will be published by Warsaw University of Life Sciences.
