

**61<sup>st</sup> IACIS Annual Conference**  
**October 6 – 9, 2021**  
**Golden Nugget, Las Vegas, Nevada**  
**Call for Proposals (Papers, Panels, Abstracts, Workshops)**

### **Conference Theme: Big Data Analytics**

The theme of the 2021 IACIS conference is Big Data Analytics. You are invited to share your research in practice and pedagogical topics related to Big Data Analytics that focus on current and emerging topics such as Leadership and Culture: Building Resilient Curriculum; Emerging Technologies with Disruption; Business Skills for Data and Analytics Professors; AI; Data Science; Machine Learning; Data Architecture; Big Data Analytics Outcomes and Strategy; Leadership and Culture; Security; Privacy; Cybersecurity; Teaching Big Data Analytics strategies; New courses for Big Data Analytics. Other relevant topics are listed under suggested topics.

### **Submission Deadline**

To meet conference deadlines, all submissions **MUST** be submitted online by **May 30, 2021**. Important: Please note that all submissions (full papers, extended abstracts, & abstracts) must be submitted by the deadline above to undergo the double-blind, peer review process and be considered for publication in either the *Issues in Information Systems* (IIS) or the conference proceedings.

### **What to Submit**

You are invited to share your research on the conference theme or other relevant IS and IT research with the educators and professionals attending the IACIS International Conference. Papers covering related academic and technical issues are also encouraged. Submit Full pedagogy/research papers, Abstracts, or Panel presentation proposals.

Submit only unpublished, original works. Proposals for workshops, panel presentations, and round table discussions should provide a general overview of the session's objectives and activities.

### **Publication Opportunity**

All submissions are double-blind refereed. All high-marked full papers accepted in the review process will be fast-tracked for publication in Volume 22 of *Issues in Information Systems*, a publication of IACIS. *Issues in Information Systems* journal is a refereed, serial publication that is registered with the U.S. Library of Congress and listed in the Cabell's Directory of Publishing Opportunities in Management. All other accepted submissions will be published in the Conference Proceedings.
