CALL FOR PAPERS | SAVE THE DATE

67th IACIS Annual Conference
On Sand Key Beach

International Association for Computer Information Systems (IACIS) — join IS/IT educators, researchers, and practitioners from around the world.

October 6–9, 2027
Wednesday – Saturday

Sheraton Sand Key Resort
1160 Gulf Blvd., Clearwater Beach, FL 33767

HYBRID: FACE-TO-FACE + VIRTUAL (ASYNCHRONOUS)

Clearwater Beach, Florida, near Sand Key

2027 CONFERENCE THEME

Reimagining the Digital Ecosystem: Transforming Information Systems Teaching, Learning, and Research in the Age of AI

Share your research, meet colleagues, and take part in presentations and discussions on timely information systems issues — in person on the Gulf at Sand Key Beach, or online from anywhere. Doctoral and undergraduate student papers are welcome, with Best Paper awards presented at the Awards Ceremony luncheon.

What to Submit

- Full pedagogy / research papers
- Abstracts and extended abstracts
- Panel, workshop, and roundtable proposals

Submit only unpublished, original work. All submissions are double-blind peer reviewed.

Key Dates

May 16, 2027 — Submission deadline

By June 15, 2027 — Acceptance decisions

By July 10, 2027 — Final revised papers due

August 1, 2027 — Early registration ends

Publish Your Work

High-marked full papers are fast-tracked for publication in *Issues in Information Systems*, Volume 28 — indexed in Scopus, EBSCO, DOAJ, and Cabell's. All other accepted submissions appear in the Conference Proceedings.

Featured Theme Tracks

- Curriculum Evolution for the AI era
- Smart Research Methods
- Interactive Pedagogy
- Virtual Classrooms
- Plus: AI governance, cybersecurity, analytics, generative AI, and more

Registration (early by Aug. 1, 2027 / regular)	In-Person	Virtual
Regular	$595 / $645	$450 / $500
Student	$350 / $400	$300 / $350

Spouse / guest registration: $250 (meal events only). Registration includes the IIS publication processing fee (if accepted), one year of IACIS membership, and a one-year subscription to the *Journal of Computer Information Systems*.
